

BioMagnetic Healing with Hands

Client Consent Form

Session date:

Practitioner Name: Edeltraud Grace

Before the start of the BioMagnetic Healing with Hands treatments, I was made aware of following points:

1. The BioMagnetic Healing treatment is no replacement for medical or naturopathic treatments or diagnostics.
I understand, that Edeltraud Grace is neither a Medical Practitioner, Psychologist or Naturopath, and does not provide Medical, Psychological or Naturopathy services.
2. The treatment of BioMagnetic Ordering Therapy does not act as a diagnostic method, is not a medical therapy, and is not the practice of medical science. It does not treat illnesses or symptoms of illnesses. It is not a replacement of Medical, Naturopathic, or Psychological diagnosis or treatment.
3. There is no promise of healing.
4. BioMagnetic Treatments aim is the strengthening and harmonising of the general state of health through the regulation of the energetic balance (energetic household).
5. For your information: This type of laying on of hands is according to the leading decision of the Federal Constitutional Court law (Germany) in so far lawful as according to the court decision: "Therefore a license as alternative practitioner is not needed, for who activates the self-healing powers of a patient through laying on of hands and thereby not makes any diagnoses."

I, agree to a BioMagnetic Healing treatment. I have been informed concerning possible healing reactions during the regeneration and activation of my self-healing powers.
